FACULTY OF MODERN LANGUAGES

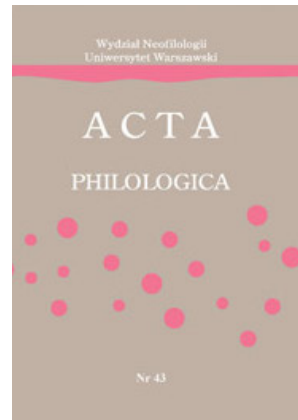

FACULTY OF MODERN LANGUAGES is recognized internationally as one of the leading faculties in Poland with members participating in research in **literature**, **culture**, **linguistics**, and **history**.

Our academics have expertise in a range of research areas focusing, among others, on the notions of languages and literatures, identity, memory studies, comparative studies, and social trends.

The application of the most recent research methods and tools ensures the reliability and high value of their findings, which are disseminated via academic publications in languages taught at the Faculty, i.e. English, German, French, Spanish, Portuguese, Italian, Hungarian and Finnish.

Our staff enjoy worldwide recognition in their respective fields and cooperate with the most prominent representatives of the world's academic community. The exchange of knowledge is promoted and achieved thanks to the journals affiliated to the Faculty, each of which is a unique title with a long tradition.
